

## TRAINING PARTNER PROPOSAL

### Introduction

Plant Green Inertia Pvt Ltd is pleased to present this expression of interest to **college name**, for a strategic collaboration in training and skill development. As the **World's First Experiential Training Company**, we emphasize **learning-by-doing**, ensuring students gain practical skills essential for their careers.

With a proven track record of signing **MOUs with 50+ institutions across Tamil Nadu**, we are also an **official training partner** for:

- The **Naan Mudhalvan** program initiated by the **Tamil Nadu Government**.
- **NSIC (National Small Industries Corporation)**, providing expert trainers for skill enhancement programs.

Through this collaboration, we aim to equip students with the necessary **technical, professional, and entrepreneurial skills** to excel in today's competitive job market.

### Training Offerings & Areas of Expertise

We specialize in both **technical and professional skill development**, ensuring students are well-prepared for employment opportunities.

#### 1. Soft Skills & Corporate Readiness

- a. Communication & Public Speaking
- b. Aptitude Training & Logical Reasoning
- c. Placement Training & Interview Preparation
- d. Leadership & Team Management

#### 2. Technical & Digital Skills

- a. Data Science & Artificial Intelligence
- b. Business Analytics & Financial Management
- c. Digital Marketing & E-Commerce
- d. UX/UI Design & Animation

### 3. Entrepreneurship & Business Development

- a. Entrepreneurship Development
- b. Business Model Development & Startups
- c. Sales & Business Development Strategies
- d. Investor Pitching & Fundraising

### 4. Industry-Specific & Vocational Training

- a. Electric Vehicle (EV) Technology & Sustainability
- b. Renewable Energy & Solar Panel Installation
- c. 3D Printing & Product Prototyping
- d. Robotics & Automation

### 5. Skill Training & Livelihood Programs

- a. Fashion Designing & Textile Technology
- b. Photography & Video Editing
- c. Food Processing & Bakery Business
- d. Digital Literacy & Computer Basics

Our training programs are **customizable** to meet the unique needs of your institution and students.

## Collaboration Proposal & Pricing

1. **Long-Term Partnership** – We propose a **structured collaboration** and are open to signing an **MOU** with your institution.
2. **Flexible Payment Model** – Our standard pricing is **₹999 per student**, but we are ready to offer a **discount** of up to **30% per head** for bulk enrolments.
3. **Training Structure** – We can conduct training **in-person or in hybrid mode** based on student requirements and institutional preferences.

## Internship & Placement Opportunities

Beyond training, we also provide **internship and placement opportunities**:

1. **Internship Programs** – Students receive **hands-on industry experience** through our structured programs.
2. **Corporate MOUs for Placement** – We have **signed agreements with leading companies** to facilitate career placements.
3. **Guaranteed Minimum Package** – Students who train with us **from their first year** are eligible for a **minimum placement package of ₹3 LPA**.

This approach ensures students are **job-ready** by the time they graduate.

## Next Steps

We would love to discuss this collaboration further and explore how we can add value to your students' professional journey.

### Next Action Items:

- Schedule a **meeting at your convenience** to discuss the partnership details.
- Finalize the **MOU agreement**.
- Plan a **training calendar** based on student and institutional needs.

We look forward to working together and contributing to the **holistic development and employability** of your students.

For further details, feel free to reach out.

**Best regards,**

**Sadhana**
